

Community Notice – December 2019

Construction activities for the Randwick Campus Redevelopment are continuing throughout December. This community notice provides a summary of upcoming activities.

The health and safety of patients, families, visitors, staff, workers and the community is our top priority.

The Randwick Campus Redevelopment complies with strict environmental and planning controls and measures are in place to monitor and manage noise, dust and vibration throughout construction.

We are working closely with Transport for NSW, CBD and South East Light Rail, UNSW Sydney and Randwick City Council to coordinate construction in the Randwick Precinct and minimise any impacts on the community.

Activities may be rescheduled due to unforeseen circumstances or inclement weather. We thank you for your patience while we progress these important works.

A tipper truck supports excavation for the Prince of Wales Acute Services Building

Activities continuing during December 2019

- Earthworks, piling and general construction activities within the construction site
- Installation of sewer and stormwater infrastructure
- High Street and Botany Street footpath works and pedestrian diversions
- Hoarding modifications and pedestrian diversions
- Work activities on or near the site boundary
- Tower crane establishment and extended work hours 6am to 8pm for up to four days during the month
- Infrastructure works on Hospital Road including trenching and construction of new electricity pits (access will be maintained under the support of traffic control).

New and upcoming activities

• Power pole removal Botany and Magill Streets

Services upgrades are underway along Botany and Magill Street. Redundant power poles will be disconnected and removed during the month. Safety exclusion zones and pedestrian diversions will be in place during this work. Power supply to private property will not be affected during this work.

• Holiday period site closure

The construction site will close on Public Holidays during December and January. During this time there will be no work undertaken on site. Additional 24/7 security patrols will be in place to maintain site security and safety.

We thank you for your patience as works have progressed at the Randwick Campus Redevelopment project site. We wish you a happy and safe holiday period.

Construction site hours

Standard site hours are 7am to 6pm Monday to Friday and 8am to 5pm Saturdays. Truck movements are being minimised during peak traffic times to reduce impacts on local roads and the community.

Getting in touch

We encourage you to get in touch if you have any questions or feedback.
