CAMPUS REDEVELOPMENT

Optus telecommunications cable relocation - Week commencing 10 February 2020

Optus will carry out work to relocate an overhead telecommunications cable at the intersection of Magill Street and Botany Street.

Work is scheduled to occur during the week commencing 10 February and will take **one night to complete**. For safety and traffic reasons this work will occur out of normal hours, between 6pm and 6am.

Cable relocation will be undertaken by Optus using Elevated Work Platforms and personnel. Safety exclusion zones will be established in the northern parking lane. Traffic control will be in place to support the safe and coordinated movement of vehicles and pedestrians.

This work may need to be rescheduled due to unforeseen circumstances or inclement weather.

We thank you for your patience as we undertake this important work.
