

RANDWICK

CAMPUS REDEVELOPMENT

Rescheduled

Due to inclement weather these night works will now occur **Monday 29 March to Friday 2nd April**

Nightworks at Barker Street and Hospital Road intersection.

An existing median strip on Barker Street, at the Hospital Road intersection, will be modified to support improved traffic flow from Hospital Road onto Barker Street.

For traffic and safety reasons this work will occur out of hours from **8:00pm – 5:00am and will take approximately 5 nights to complete.**

Construction activity will include concrete removal, light excavation and road restoration. Work will be carried out using a small excavator, paver and roller.

All lanes of traffic and access will be maintained under the support of traffic control and lighting towers will be positioned to minimise impact on surrounding buildings.

Work may be rescheduled due to unforeseen circumstances of inclement weather. We thank you for your patience during this important work.

Getting in touch

We encourage you to get in touch via the contact details below if you have any questions, feedback or complaints.
