

RANDWICK

CAMPUS REDEVELOPMENT

Demobilisation of plant and equipment from Hospital Road - out of hours work

Construction activity is underway along Hospital Road as part of the Randwick Campus Redevelopment.

On Wednesday 3 November 2021, a piling rig will be relocated to Hospital Road, adjacent to the Sydney Children's Hospital, Randwick.

The piling rig will be removed from Hospital Road on **Thursday 4 November 2021 between 2am to 4am and take approximately 1 hour to complete.**

The piling rig will be loaded onto an oversized truck on Hospital Road that will leave the site via High Street. Traffic control will be in place to support vehicle movements.

It is a requirement of Transport for NSW that removal of equipment of this size occurs out of hours before the light rail commences operation at 4am.

Lighting will be used to enable safe loading of the piling rig and will be positioned to minimise impact on surrounding buildings.

Work may be rescheduled due to unforeseen circumstances of inclement weather.

Thank you for your patience while we work to deliver the new hospital.
