

## Botany Street temporary pedestrian diversion Wednesday 15 May – Wednesday 29 May 2019

A temporary pedestrian diversion will be in place along the eastern kerb of Botany Street between Wednesday 15 May and Wednesday 29 May 2019.

Pedestrians will be diverted onto a temporary path within the existing southbound parking lane. Traffic controllers, signage and safety barriers will be in place to ensure safe pedestrian movements.

This pedestrian diversion will allow construction activity to be undertaken safely within the site boundary and enable safe pedestrian movements along Botany Street.

**Thank you for your patience as we undertake this important work.**
