

## Temporary closure of Hospital Car Park B2 entry/ exit from 16 December 2019

To improve traffic flow and worker safety, the B2 Hospital Car Park entry from Hospital Road will be temporarily closed from mid-December to late January 2020.

During the closure of the Hospital Road B2 car park entry/exit, please use:

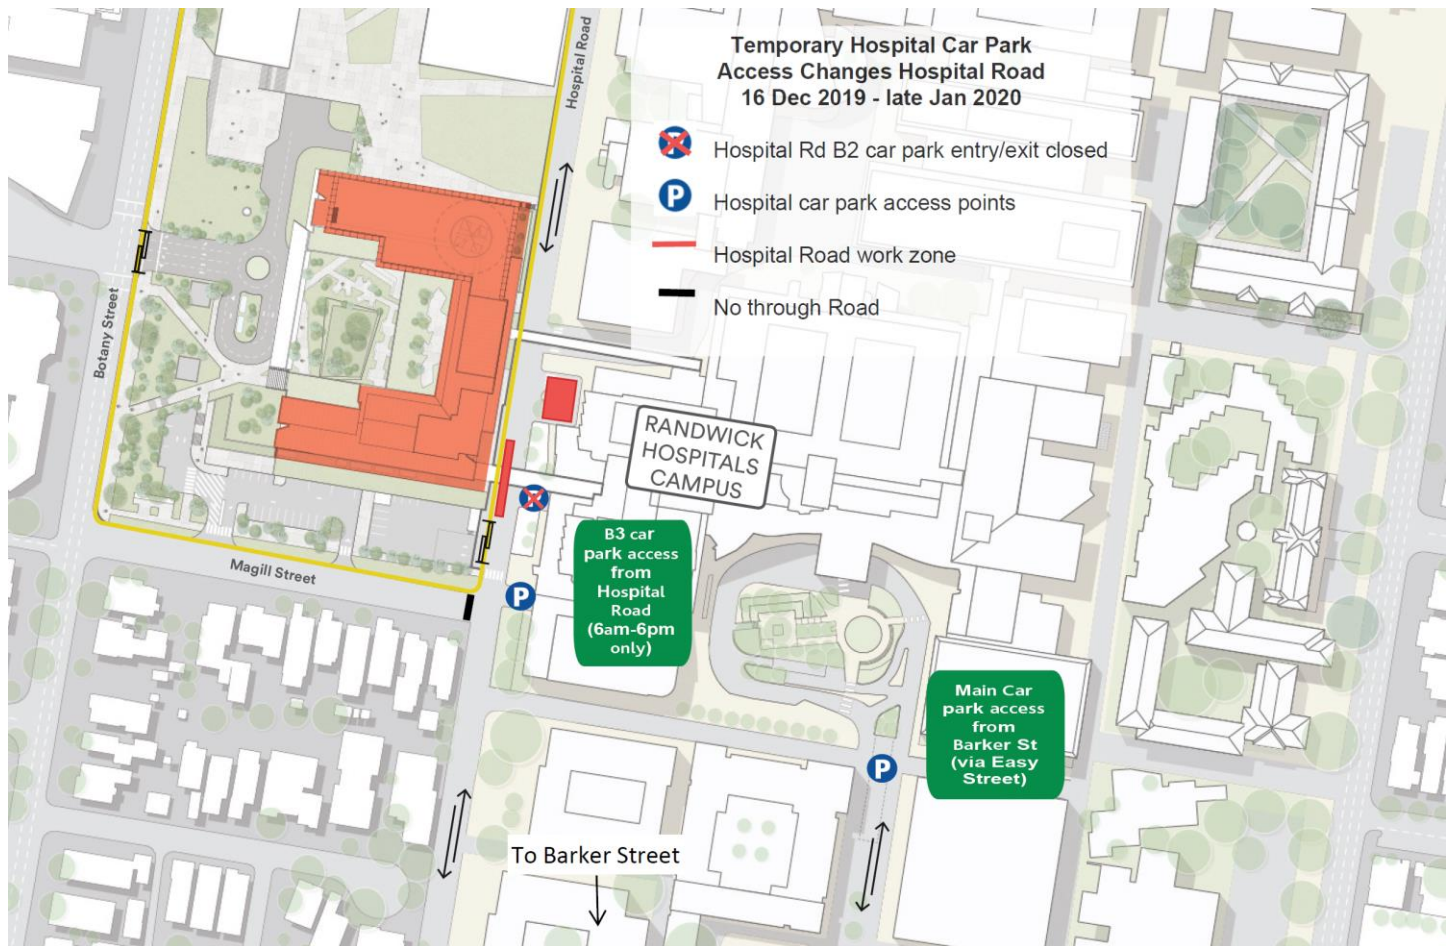

- The main car park access from Barker Street (via Easy Street) to B1 (24hrs) or
- The Hospital Road car park entry/exit to B3 (6am to 6pm only).

Hospital and emergency access will be maintained on campus at all times and traffic controllers and signage will be in place during the works.

We thank you for your patience as we undertake this important construction activity that is part of the Randwick Campus Redevelopment.

The health and safety of patients, families, visitors, staff, workers and the community is our top priority.
