

Out of hours deliveries From Tuesday 17 December 2019

From Tuesday 17 December 2019 in the period up to the Christmas site closure, up to three deliveries and one removal of oversized construction equipment will occur at the Randwick Campus Redevelopment site.

Oversize truck access will be via Botany Street Gate 1 (the site access gate closer to High Street) and will occur between 1am and 5am as a traffic and safety requirement of Roads and Maritime Services (Transport for NSW).

Traffic control will be in place to support safe and coordinated vehicle and pedestrian movements.

Lighting towers will enable safe loading of oversized equipment and will be positioned to minimise light spill on surrounding buildings.

Activities may be rescheduled due to inclement weather or unforeseen circumstances.

Thank you for your patience as we undertake this important work.
