

Electricity upgrades - Out of hours work between 22 and 29 November 2020

Work to upgrade the Ausgrid High Voltage network supply to the Randwick Campus Redevelopment site is underway.

Out of hours construction activities will occur between **22 and 29 November 2020**. Work will be scheduled between 8:00pm and 5:00am.

All work will be carried out within the construction site boundary and will include low noise generating activities.

Lighting towers will be used to ensure worker safety and will be positioned to minimise impact on surrounding buildings.

Power supply to private properties will not be affected during this work.

Work may be rescheduled due to unforeseen circumstances of inclement weather.

Thank you for your patience while we undertake this night work.
