

RANDWICK CAMPUS REDEVELOPMENT

NOTICE OF CONSTRUCTION ACTIVITY

What is happening?

From Tuesday 11 April, for approximately two weeks, construction activity on Hospital Road involving concreting and asphaltting works will be undertaken.

Construction activities will occur on weekdays between 7am and 5pm, and Saturdays between 8am and 5pm, with no works on Sundays or public holidays.

To support these works, a number of temporary construction compounds will be set up on Hospital Road in the eastern parking lane for the storage of equipment and tools. These will remain in place for the duration of works.

Activities during approved construction hours will include jack hammering, saw cutting and road asphaltting, requiring associated equipment and machinery. Some noise impacts may be experienced.

Pedestrian and vehicle access to the hospital and car park entrances will be maintained at all times through traffic control. There will be no impact to End of Trip facility access off Hospital Road.

Questions or enquiries:

- Contact the 24/7 Community Infoline on 1800 571 866
