

## Notification of weekend works – tower crane activity, Saturday 12 and Sunday 13 August 2023

To support ongoing construction of the new Sydney Children's Hospital Stage 1 and Minderoo Children's Comprehensive Cancer Centre, weekend site activity is planned in August to raise the height of one of the site tower cranes.

**Works will be undertaken between the hours of 6am and 9pm daily on Saturday 12 and Sunday 13 August, weather permitting.**

Construction vehicles and equipment will enter the site premises via the Botany Street construction gate from 5.30am and carry out all activities from within the construction site.

Some noise is likely as a result of these works.

For any questions or concerns about this work, please contact the project team via the details below.

Thank you for your patience while we work to deliver this exciting project.

*Please note that all activity dates and times are subject to change. Contingency dates of Saturday 26 and Sunday 27 August have been identified in case of inclement weather.*
